# OVERVIEW

This 6 night traverse takes place exclusively in the Central Tuli Game Reserve of Botswana. An incredible wildlife location famous for their large elephant herds.

We'll explore the lesser known areas of this park to get a true wilderness experience and a feeling of remoteness not found in many other places.

We walk along the elephant paths as they meander between the outcrops and dry stream beds that lead to the natural springs and the mighty Limpopo River at the base of the valley. In the evenings, we'll relax in our exclusive, private camps and listen to the sounds of hyenas and lions in the background, the ultimate end to a day in the African wilderness.

## Day 1 ITINERARY: ARRIVAL - JOHANNESBURG

After meeting up in Johannesburg, we'll start the journey up to Botswana and the Central Tuli Game Reserve. Once over the quiet border post, we're immediately into the reserve and our game viewing starts. We'll get in to our camp in time to enjoy a sundowner along the river and possibly a quick walk to stretch the legs.

**Trail Details: No Walk**  
**Accommodation: Harena River Camp OS**

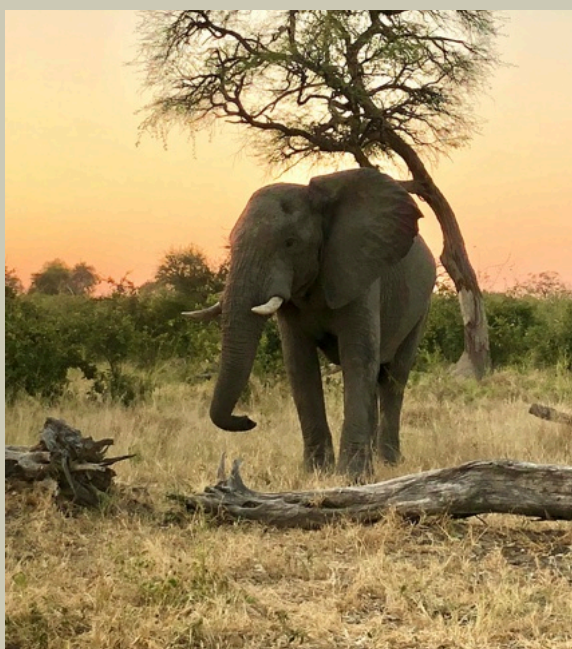

## Day 2 HARENA RIVER CAMP

The Harena area of Central Tuli offers exciting game viewing opportunities. The area around the river is loved by the plains game as well as the local lion pride that hunts them. We'll take it slow as we explore the rocky outcrops and dry river beds. In the afternoon we relax along the banks of the Limpopo river.

**Trail Details: ± 4 hours**  
**Accommodation: Harena River Camp OS**

# 7-DAY AFRICAN WALKING SAFARI

## Day 3 HARENA TRAILS CAMP

After breakfast we make our way north on our way to the remote Harena Trails Camp. An amazing experience of our exclusive trails camp hidden away in a remote corner of the reserve. With just us for miles around, we'll enjoy an afternoon under the trees. The evening campfire will be filled with the sounds of lions and hyenas.

**Trail Details: ± 4 hours**

**Afternoon Activity: Sundowner**

**Accommodation: Harena Trail Camp OS**

## Day 4 HARENA TRAILS CAMP

Located further north, Harena Trails camps remote location allows us to explore parts of this wilderness seldom seen by others, sometimes even our guides... This is true exploration and provides a strong sense of connection with nature. With the whole day ours to explore, we'll stay out as long as we like before returning to camp for a lazy afternoon.

**Trail Details: ±4 hours**

**Accommodation: Harena Trails Camp OS**

## Day 5 KORO ISLAND CAMP

After a warm cup of coffee we head back south towards the Limpopo River, but this time further west to Koro Island Camp. We'll pass the salt pans that are loved by elephant as the open areas make way to the rocky outcrops. We'll stop for a break at one of the natural springs before we descend to the river and meander along the beautiful paths of the Limpopo to the exclusive Island Camp.

**Trail Details: ± 5 hours**

**Afternoon Activity: Sundowner Game Drive**

**Accommodation: Koro Island Camp OS**

## Day 6 KORO ISLAND CAMP

We'll wake up on our private island in the Limpopo before we head out to explore the Koro conservancy. The elephant paths and jeep tracks take us between the waterholes and viewpoints to our bush breakfast spot. From here, we descend back down to the flowing paths beneath the giant Mashatu trees. After a relaxing afternoon, we're off for a special sundowner on our last Botswana evening.

**Trail Details: ± 3 hours**

**Afternoon Activity: Viewpoint Sundowner**

**Accommodation: Koro Island Camp OS**

Day 7

## DEPART - OR TAMBO/ JHB

We love getting in one more walk in before we depart. A quick coffee and we're off for a final loop of the Central Tuli Reserve. Then it's time for our journey back into South Africa as we cross the Platjan border post.

Trail Details (optional): ± 1.5 hours
